

BKI's LPF-F Electric Pressure Fryer shown above

Agency Approvals:

Pressure Fryers Model: LPF, LPF-F, LPF-FC

Large Volume Electric Pressure Fryer with optional Computer and Filter

Designed for simple, safe, economical operation, BKI's electric pressure fryers enhance fried food operations and increase food quality. Controlled low pressure-cooking delivers moist, tender fried food with a 30% longer holding capability. Patented "Quick-Connect" filtration system improves operations through a fail-safe alignment feature, while the built-in cold zone collects breading "fall-off" to extend shortening life for a substantial savings. Highest quality construction stands up to heavy use. Exceptional pricing makes the BKI electric pressure fryer the profitable, value choice for any retail or catering business.

Standard Features:

- 14 lbs. (6.4 kg)Product, 48 lbs. (21.8 kg) Oil Capacity (4 Head Chicken)
- Utilizes controlled low pressure
- Pressure regulated lid interlock system
- 3" Casters for easy mobility
- External Material (18 gauge, 304 Stainless Steel)
